JOINING US - THE SMALL PRINT

To be a Full Member, which is our practising category, practitioners need to:

have attained their Bowen Diploma – this can be either from Bowtech or another recognised Bowen training school,

have passed their Anatomy and Physiology Examination,

hold a current first aid certificate,

upgrade their insurance from student to full practitioner,

send us the completed application form and payment.

We suggest that practitioners who join us from schools other than Bowtech, take the opportunity to undertake the Bowtech Module 8 as their first CPD with us, as this particular course revisits all the moves covered in Bowtech basic training, which will assist you should you wish to sign-up for further more advanced Bowtech studies.

The membership application form is here in these pages to download. Simply mail it to our Head Office (The Bowen Association UK, PO Box 210, Boston PE21 1DD) enclosing copies of your **A & P Certificate, First Aid and Insurance, plus a copy of your Bowtech Diploma or other Bowen Therapy qualification certificate.**

Alternatively you may scan and email the form and copies to us.

You may pay by cheque or online banking (see below for details).

If you do not have all the above you can still become an Associate Member, with us for £75 per annum. Give us a call if you are unsure about anything: 01205 319100 – we're here to help.
